

Jacob Paul Kiesel

PROFILE

Hello thanks for your time. I'm young man looking to make my way into a field of work that makes an impact. My highest ideal in my work is to do what I do well while developing a keen understanding of the systems in place around me. I don't know how else to say it so I'll say it plainly, I will be one of the best hires you've ever made.

EXPERIENCE

ASSISTANT GENERAL MANAGER, TACODELI, AUSTIN, TEXAS — 2012-PRESENT

I was partly responsible for the leadership and the operations of a restaurant serving over three thousand guests a day. I've taken away excellent people skills, good organizational skills and a higher standard for the work I perform and oversee.

SERVER, CHILIS BAR AND GRILL, CEDAR PARK, TEXAS — 2010-2012

I worked the typical server job. In my time there I became one of the youngest members of staff to become a trainer. I only left to return to college.

EDUCATION

CEDAR PARK HIGH SCHOOL, 2006-2010. GRADUATED WITH 3.4 GPA

I mainly focused on art in high school, going to state levels with pieces, and participating in after school art clubs.
